CASA VISION

Fundadores Lot 106

The breathtaking drama of the Baja California sunlight casting shadows across sculptural surfaces of wood, natural stone and concrete delight the senses in this modern home perched above the Greg Norman Signature 6th green with commanding views of the Sea of Cortez. A triumphant achievement of architectural design, beautifully integrated into the surrounding environment, the home enjoys comfortable and seamless indoor-outdoor living. Casa Vision is a serene and private sanctuary to enjoy life while surrounded by the beauty that is Los Cabos. Outside, a custom crafted wooden trellis is "suspended" in the air, adding texture and shade to seating and living areas, uniquely dropping down to protect an expanse of glass from the elements when the home is not in use. Perfectly oriented this 3/4 acre lot, the expansive pool terrace enjoys daylong sunshine for lounging and unrivaled privacy. The Master Suite casita with office and a spa style bathroom retains complete privacy from the Great Room and wing of guest suites. Three Guest Suites offer comfort and privacy, all having unobstructed ocean views for visiting friends and family. An expansive rooftop deck with cushioned seating, fire pit and views across the Sea of Cortez to Palmilla Point is the perfect setting to end a magical day of Los Cabos wonder.
