Dear Boaters,

Welcome to Mexico! It is our great pleasure to sponsor this edition of
 "Visiting Mexico by Private Boat."

FONMAR is a trust fund established by the Government of the State of Baja California Sur, to ease the process of obtaining Sport Fishing licenses, as well as the lawful enforcement and supervision of this great sport in order to maintain and enrich the wonderful and unique sea life found in these waters. Our website, www.sportfishingbcs.gob.mx, is a secure and easy way to obtain your permit to fish in Mexico. All you need to do is enter your name(s), license term and start date and you will be directed to a secure banking site to add your credit card information — once the transaction is complete you'll receive an email confirmation and receipt, and a popup with the link to download and print your permits.

FONMAR also promotes Sport Fishing on local, national and international levels and provides funding for research and education at authorized academic and scientific centers to assist in the preservation of our oceans.

— Happy cruising, fishing and exploring!

INTRODUCTION

The Instituto Nacional de Migración (National Immigration Institute) is the government arm required by Mexican Law to oversee foreign individuals visiting Mexico. INM has created a new PRE-TRAVEL simplified process in order to facilitate the documentation of those individuals wanting to visit Mexico by boat and wishing to engage in recreational activities, including sport fishing, whale watching, diving and cruising — among others.

The process involves the completion of four simple steps which may be completed BEFORE departing for Mexico, as outlined within this brochure.

GET TO KNOW TO KNOW WHO'S WHO

The Maritime Authority works through SEMAR, to oversee compliance of the regulations issued by the IMO, in order to guarantee protected, efficient and safe maritime passages.

Provides Banking and Credit services to members of the Army, Air Force and Navy, and the general public and oversees the online services allowing payments for the temporary import of vehicles and boats.

An arm of the Mexican government which controls and supervises migration in the country.

The Mexican tax authority responsible for the supervision for compliance of tax and customs legislation.

The Mexican Navy is one of the two independent armed forces of Mexico. The naval forces are called the Armada de México. The Secretaría de Marina (SEMAR) (*Secretariat of the Navy*) includes both the Armada and ministerial and civil service.

CONAPESCA is a decentralized body of SAGARPA committed to legality, quality and transparency, in charge of fostering and developing coordination with various entities to implement policies, programs and regulations that lead and facilitate the development – competitive and sustainable, of the fishing and aquaculture sector of the country.

CONANP is the institution responsible for safeguarding the areas with the greatest biodiversity in Mexico.

IMMIGRATION REQUIREMENTS FOR INDIVIDUALS & VESSELS WHICH MAY BE PROCESSED PRIOR TO CRUISING IN TERRITORIAL MEXICAN WATERS BY PRIVATE BOAT.

NOTE: These steps **MUST** be completed by individuals prior to cruising in territorial mexican waters for any length of time **WITHOUT GOING ASHORE**. e.g. visiting the Coronado Islands, fishing ventures, offshore crusing, etc.

STEP ONE

Visit the following Internet portal to apply for entry to Mexico and pay the required fees: <https://www.banjercito.com.mx/registroEmbarques/>

Follow the instructions and save the electronic receipt. You will need it when you e-mail the passenger list to INM in the next step. Also print out a copy to keep with you on the boat.

The following information must be provided:

- Passport number of the person responsible for the vessel
- Vessel Documentation (State or Federal Documentation).
- A \$558 Mexican Pesos fee per each visiting foreigner as required by the Federal Fee Act (Ley Federal de Derechos), Article 8, Section I. The fee must be paid using a credit card for each person INDIVIDUALLY. Group payments are not allowed.

STEP TWO

Download and complete the spreadsheet with the information of the vessel and passengers from:

<http://www.inm.gob.mx/gobmx/word/index.php/instructions-for-the-shipment-of-electronic-passenger-lists>

Here you will find the following:

- A Sample Form (spreadsheet) for submission of a list of maritime passengers and crew members — delete the sample information and insert your passenger list. Save it to your computer following the instructions on the web page including how to name the file correctly.
- A guide for filling the Form for the submission of a list of maritime passengers and crew members
- An e-mail Directory/List of INM Ports addresses for submission of lists of maritime passengers and crew members.

STEP THREE

E-mail the completed spreadsheet to INM and copy of your receipt (See STEP TWO above, 3rd bullet on how to find the correct e-mail address)

As an example, if you are leaving from Southern California you should send the e-mail to the Ensenada INM Office at: **BC_ensenada@inami.gob.mx**

Once the visitors information outlined above is sent to INM, INM will e-mail you back the entry authorization (or denial) to the individuals intending to enter Mexico's territorial waters onboard the given vessel. The document must be kept aboard the vessel at all times along with the receipt of payment. **The receipt must be presented to the Mexican Immigration Authorities at the first Port of Entry in exchange for each individuals FMM (see next page for additional information).**

- The authorizing e-mail will also contain INM's permit to enter as a Visitor Without Permission to Perform Activities for Profit (i.e. work for income/profit).
- The length of the stay will be the amount of time requested by the applicant, but shall not exceed 180 days, and cannot be used for multiple entries and departures.
- A copy of your information will be sent to the Secretary of the Navy (SEMAR) and to the Port Captain.

IMMIGRATION REQUIREMENTS WHICH MUST BE PROCESSED AT THE FIRST PORT OF ENTRY IN MEXICO BY INDIVIDUALS CRUISING MEXICAN TERRITORIAL WATERS.

Passport/Visa

- ALL foreigners traveling to Mexico, including U.S. citizens, are required to carry a valid and current passport to enter Mexico.

Non-Mexicans from certain countries may also require a Visa. Contact a Mexican Consulate for a list of these countries or:

<http://www.sre.gob.mx/index.php/representaciones/consulados-de-mexico-en-el-exterior>.

Children under 18 years of age need a notarized letter for travel if not accompanied by both parents.

- When arriving at your **first Mexican port of entry** you will need to check-in at the local immigration office and each crew member must present his/her passport and will need to fill out an entry permit, now called an FMM and pay \$558.00 Mexican Pesos per person at the bank, **unless the fee was paid online prior to arriving in Mexico in which case you must present every individual's online payment receipt.**

- The length of the stay will be the amount of time requested by the applicant, but shall not exceed 180 days, and cannot be used for multiple entries and departures.

A Passport **Book** allows U.S. Citizens to travel to/from Mexico using any means of transportation.

A Passport **Card** allows U.S. Citizens to enter Mexico territorial waters by boat e.g. on a sports fishing trip, and then return to the United States. WITHOUT going ashore in Mexico.

Immigration officials will keep the top part and you will keep the bottom part, which is your proof that you are in the country legally.

FMM — Forma Migratoria Multiple

- Forma Migratoria Multiple loosely translates into "Multiple Immigration Form."

- It is simply known as FMM, and is the permit form required to enter Mexico by boat and whether you go ashore or not.

Each person must fill out an FMM form upon arrival.

- All foreigners entering Mexico by land with a trailerable vessel are required to obtain an FMM at the first port of entry, e.g. TIJUANA, TECATE, MEXICALI, NOGALES, etc.

If boarded by Mexican Authorities, you will be asked to show proof of a valid FMM.

You keep this portion.

DO NOT LOOSE OR MISPLACE THIS DOCUMENT!

You will need to surrender it upon leaving the country.

OCEAN SEARCH & RESCUE IN MEXICO

An integral part of SEMAR – Secretaría de Marina (Secretariat of the Navy) is to oversee the safety of human life at sea through Search and Rescue (SAR) operations within Mexican territorial waters.

In order to be able to respond in an immediate an efficient manner to every call for help as a result of adverse circumstances—meterological or otherwise, the **Maritime Search and Rescue** has been established. **Ocean Search, Recue and Surveillance (ENSAR)** is administered by the Command and Control Center (CC2) of the General Armed Forces of Mexico.

There are 30 Naval Stations with ENSAR capabilities in Mexico; 20 of these are located on the Pacific coast of Mexico as listed below:

VESSEL DOCUMENTATION REQUIREMENTS

- Every vessel entering Mexico must carry ORIGINAL current Vessel Documentation or Registration that proves ownership; this means Federally Documented vessels will need to present a USCG Certificate of Documentation and undocumented vessels will need to have a valid State Registration. Foreign flag vessels from Canada, Australia, United Kingdom, British Virgin Islands, Cayman Islands, Republic of Marshall Islands, Japan, etc., will require a current Certificate of Registry.
- All vessels registered under a Corporation or LLC or when the legal owner is not on board, are required to have an original notarized letter onboard authorizing the Master or Representative to operate the vessel.

TEMPORARY IMPORT PERMIT FOR VESSELS (TIP)

All vessels larger than 4.5m (15ft) are required to have a Temporary Import Permit (TIP) when in Mexico.

The ORIGINAL TIP must be on board the vessel at all times.

A TIP may be obtained from the following sources:

- Online prior to your departure for Mexico. Apply between 60 and seven days before you depart at:
<https://www.banjercito.com.mx/registroVehiculos/>
- At the first Mexican official port of entry in Mexico, available at any Banjercito CIITEV office at one of the following Mexican ports of entry, as well as border entry ports:
 - Acapulco ■ Mazatlan ■ Ensenada ■ Manzanillo ■ Guaymas
 - Puerto Vallarta ■ La Paz ■ Salina Cruz ■ Puerto Juarez ■ Veracruz
 - Pichilingue ■ Tampico ■ Lazaro Cardenas ■ Coatzacoalcas
- You may also acquire the TIP at the following Mexican Consulates:
 - CALIFORNIA: Los Angeles, Sacramento, San Bernardino
 - ARIZONA: Phoenix ■ TEXAS: Austin, Dallas, Houston,
 - COLORADO: Denver ■ ILLINOIS: Chicago ■ NEW MEXICO: Albuquerque

If the vessel does not have a Temporary Import Permit "TIP" on board, or fails to exit Mexico prior to its expiration, the vessel will be considered to be in Mexican territory illegally and may be subject to fines and/or confiscation by Customs Authorities.

Temporarily Imported Vessels cannot be sold in Mexico and chartering requires Mexican permits.

INSURANCE All vessels in Mexican waters are required to show proof of valid Liability Insurance. Check your policy to make sure the vessel is covered in the areas you will be cruising and visiting.

VALIDITY OF A TIP

A TIP is valid for a period of 10 years from the issue date, allowing for multiple entries during this period.

An new Temporary Import Permit may be requested for an additional 10 years for the same vessel as long as it is processed within 45 days prior to the permit's expiration date, by internet, through [banjercito.com.mx](https://www.banjercito.com.mx), or at any of the CIITEV centers, without the need for the vessel's inspection, plus, there is not need to submit Exit papers if renewing the TIP within 45 prior to the TIPs expiration date.

CANCELLATION OF A TIP

If the vessel will be leaving Mexico BY LAND:

Vessel must be made available for inspection to Customs Officials at the Port of Entry chosen to exit Mexico. The authorized individual must be present at the same time and must show the original Import Permit (TIP) and the Mobil Accessory List.

If the vessel will be leaving Mexico BY SEA on its own bottom:

Owner may cancel the TIP by surrendering the original and a copy of the following documents:

- Port Captain clearance
- Mobil Accessory List
- Original TIP (Temporary Import Permit)

If vessel will be leaving Mexico AS CARGO on a Yacht Transport Ship:

The TIP may be cancelled at the Banjercito office. The cargo manifest, indicating vessels characteristics (name, registration or HIN) must be submitted.

NOTE:

The above documents may be sent via registered mail to the Banjercito Central Offices or to a CIITEV office at any port of entry.

Mexican Customs Officials will also accept the "Vessel Entrance or Clearance Statement" issued by U.S. Customs and Border Protection as proof that a vessel left Mexico and will facilitate the cancellation of the Temporary Import Permit.

CLEARING INTO MEXICO FOR THE FIRST TIME

A vessel must clear-in when entering Mexico at the first official port of entry.

The clear-in process is as follows:

- Complete the Crew List Document
- Go to the immigration office and get the Crew List properly stamped and have FMMs (Forma Migratoria Multiple) issued for all passengers
- Go to the Port Captain's Office with the completed form to pay the Clear-In Fee and have the document duly authorized and stamped. In some ports you may be required to pay a Port Use Fee with the API (Port Administrator).

CLEARING INTO AND OUT OF PORTS WITHIN MEXICO ("CABOTAGE")

- If you are navigating from one Mexican port to another, all that you will require is that you inform the Harbor Master or marina of your arrival or departure by means of an "Aviso" (Notification).
- Depending on the Harbor Master's office, some may require a written notification, while others allow a verbal one via VHF, channel 16.
- In some ports you must pay a Port Use Fee when arriving and anchoring (if you anchor out). These fees are paid to the API (The Port Administration).

CLEARING OUT OF MEXICO

A vessel must clear-out when leaving Mexico at the last official port of exit.

You will also need your last exit paperwork when cancelling or renewing your TIP

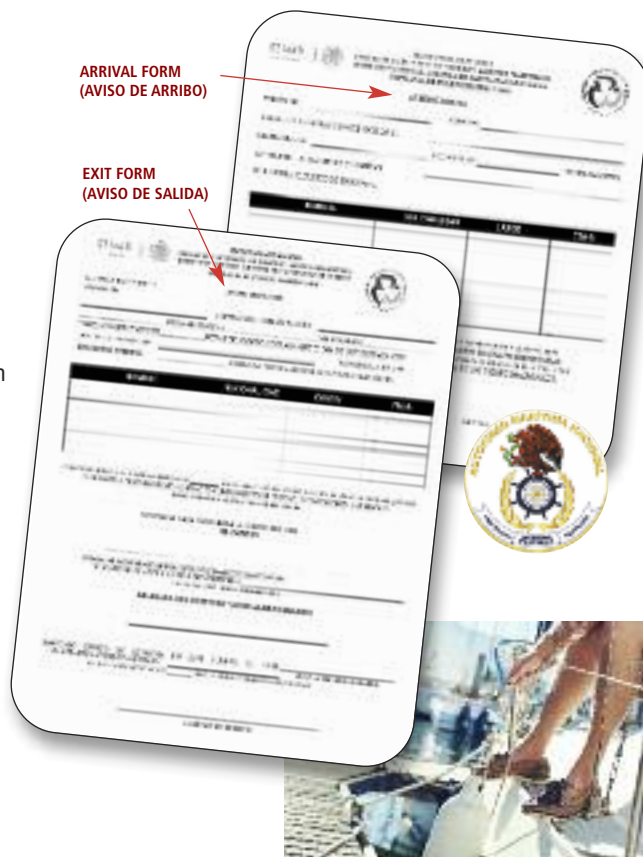

The clear-out of Mexico process is as follows:

- Complete the Crew List for exiting Mexico ("Despacho", previously know as "Zarpe").
- Go to the Immigration office to get the Crew List stamped and surrender the FMM forms.
- Go to the Port Captain's office to pay the Vessel's Check-out fees and have the crew list stamped with the authorization to exit the country of Mexico.

IMPORTANT: Do not skip the clear-out process, since the next time you visit Mexico, your information may show that you never left the country and therefore you are considered to be in Mexico illegally.

VISITING THE NATIONALS PARKS OF THE BAJA CALIFORNIA PENINSULA AND POINTS SOUTH

If you plan to visit any of these awe-inspiring sites, you must obtain a "Conservation Passport" prior to arrival at any of the marine or land based parks. The easiest way to obtain a Conservation Passport is by downloading the app to your smart phone - search for *Pasaporte de la Conservación* and purchase the Passport; the cost at this writing is \$372 MXN per person; free for children six and under and persons with disabilities. Once you have purchased the passport simply take a screen shot - the digital shot or original must be available for inspection at any time during your visit at any of the sites. The passport may also be obtained from any ANP office or online at <https://pasaportedelaconservacion.conanp.gob.mx>.

The passport is valid for one year from the date of purchase.

The proceeds from the Passport helps in the preservation of these unique but fragile natural environments, as well as for the protection and economic growth of local communities. During your visit to any of these magical sites, we ask you to follow the directions and rules designed to enhance and preserve these treasures.

The Baja California Peninsula National Parks (NPA) include:

Guadalupe Island, Pacific Islands of Baja California (Coronados, Todos Santos, San Martín, Cedros, Benitos, Magdalena), Revillagigedo, Valle de los Cirios, Vizcaino, Cabo San Lucas, Cabo Pulmo, Espíritu Santo, Loreto, Bahía de los Angeles, among others in Southern Mexico.
