

CASA KOKOMO

Fundadores Lot 188

Casa Kokomo swells from the desert sands and extends her reach out to the prestigious emerald green Greg Norman golf course and beyond to the Sea of Cortez. 4 of the bedrooms are connected to the central interior courtyard, with the main and expansive master bedroom, linked to a private large profile upper deck that overlooks the 8th green, the spectacular pool and jacuzzi and of course the serene ocean, mountain and golf views. Truly the perfect setting to relax and enjoy life moments.

The design and the wall system materials allow the breeze of Sea of Cortez to cool the house throughout the day and into the evening, reducing the need for mechanical cooling. The interior courtyards with the fully equipped pergolas and the lawns are able to accommodate up to 100 people. For the sports-minded family you can enjoy a game of professional tennis at the private court which can be lit up at night to further enjoy.
